

Rotary Foundation Online Payments

The most efficient way to donate to The Rotary Foundation is through the Rotary.org Website. You can use this process to:

- - make a single contribution to The Rotary Foundation to areas such as:
 - - Annual Fund (such as during our annual drive)
 - - Polio Plus (such as for Happy Dollars)
- - sign up for monthly contributions for the various areas

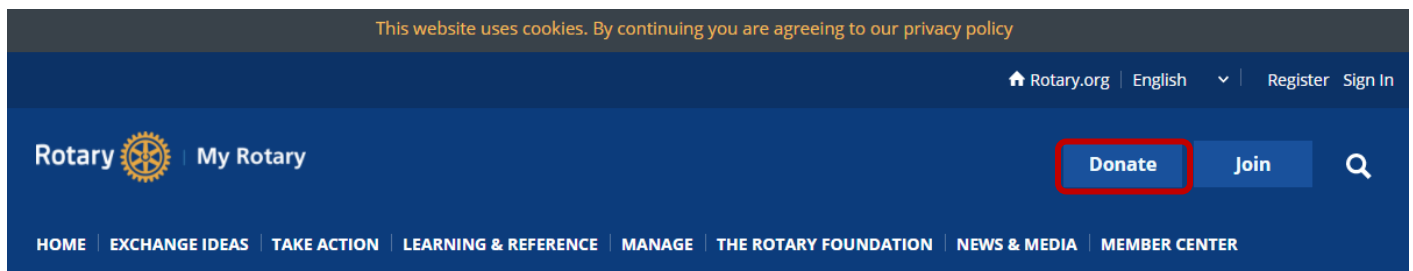

Already have an account set up at Rotary.org? Skip to.

If you have not already set up account with Rotary.org:

Go to Rotary.org
Select My Rotary
Select Register

Once you have an account set with Rotary.org:

Click the Donate button at the top:

If you are not currently logged in, the system will take you to the login screen.

You can choose how you want your Foundation Contributions used. The most common – the ones you likely hear about the most are:

- Annual Fund – this is the program that feeds the SHARE funds; those funds are returned to the clubs for District Grant Projects
- Polio Fund – or Polio Plus – that is where we have been donating our Happy Dollars

Choose what you would like to support

Featured Causes

Areas of Focus

Endowment

Global Grants

Contributions to these featured causes are eligible for Paul Harris Fellow recognition.

Annual Fund

Disaster Response Fund

[Learn more](#)

Area of Focus – you can select that if you choose but that restricts the funds and then it does not feed the SHARE program.

If you want to learn more about any of the options, please contact our Rotary Foundation Chair.

Scroll down to the next section and you can select single or recurring payment and the amount.
