Joint Meeting with Kiwanis

SERVICE PROJECTS DICTIONARY PROJECT

SERVICE PROJECTS DICTIONARY PROJECT

Tom Hyde and the Lincoln South Rotary
We would like to thank you for the dictionaries you provided for all of our third grade students at zeman Elementary. The students are loving being able to look up words and interesting facts in their dictionaries. The dictionaries help support our curriculum as well as we are learning about dictionary skills and other concepts included in the fact sections. Thank you again for your generous gift! zeman Elementary Third Grade
