Dear Mary,

Greetings from the women of Aaamara Biswas, the board members of Our Biswas and Aamara Biswas organizations.

Your generous contribution of \$1500 has been used for the Nano Finance project. \$1220 is used for giving interest free loans to 100 women in the two slum areas of Bhubaneswar (Subash Nagar, Nilakantha Nagar), Odisha. The rest of the money (\$280) is used for the salaries for two coordinators for one year.

While Suchitra was in India in November, she video called and introduced some women. We hope your organization will continue to support for empowering more women of Odisha.

Thank you with gratitude.

Best wishes,

*Joyasree Mahanti*
