ACCEPTABLE PHOTO ID - ESSENTIAL FEATURES

Three elements to an acceptable photo ID:

1. Be issued by one of the entities listed on the previous slide
 2. Contains the voter's name
 3. Contains the voter's photo
- IDs do not need to contain the voter's address. If it does list their address, it does not need to be their current address.
 - IDs can be expired.

NAMES ON IDS

- Names do not need to be exactly the same as the voter's registration.
- Valid photo IDs can contain:
 - A nickname/common variants ("Joe" instead of "Joseph")
 - Use of initials
 - Different combinations of upper- and lower-case letters
 - A previous last name ("Jane Smith" instead of "Jane Doe")
- Voters can still change their name (due to marriage, divorce, etc.) at their polling place on election day and vote a regular ballot under Nebraska Revised Statute §32-914.01

WHAT IDS DON'T WORK?

FREE STATE ID

- DMV provides free State IDs to any individual who needs it for voting purposes
- List of documents necessary to obtain a free State ID can be found on DMV's website at:

dmv.nebraska.gov/dl/state-identification-card

- Individuals with a Driver's License should not apply for a State ID – this will invalidate their Driver's License
- State ID just one of many acceptable photo IDs for voting

FREE BIRTH CERTIFICATE CERTIFIED COPY

- DHHS provides a free certified copy of a birth certificate to any individual **born in NE** who needs it to obtain a state ID.
- List of documents necessary to request birth certificate provided on DHHS' website at:

dhhs.ne.gov/Pages/vital-records.aspx#birthcertificate

- A birth certificate cannot be used as ID for voting.
- Does not cover out-of-state birth certificates — voters who cannot obtain photo ID due to inability to obtain an out-of-state birth certificate can use a RIC.

REASONABLE IMPEDIMENT CERTIFICATION (RIC)

- Reasonable Impediments limited to:
 - Religious objection to being photographed
 - Inability to obtain valid photo ID due to:
 - Disability/illness
 - Lack of birth certificate/other required documents

- Signature on RIC verified by Election Commission.

VOTING AT THE POLLING PLACE

- 1) Poll worker will ask the voter for their name, address and photo ID.
- 2) Find voter in the roster.
 - If there are no issues, the voter completes the voting process as normal.
 - If the voter moved within the county since they last updated their registration, received an early voting ballot but did not return it, etc., they can vote provisionally using the standard provisional process.
 - If the voter does not have an acceptable voter ID with them or has a Reasonable Impediment to obtaining an ID, they can vote provisionally using Provisional Voter identification Verification process (P-VIV).
